

1. Name of Registrant

Patton, Boggs & Blow

2. Registration No.

2165

3. This amendment is filed to accomplish the following indicated purpose or purposes:

☐ To correct a deficiency in

☐ Initial Statement

☐ Supplemental Statement for _____

☐ To give notice of change in an exhibit previously filed.

☐ To give a 10-day notice of a change in information as required by Section 2(b) of the Act.

☒ Other purpose (specify) To amend our supplemental statements for the periods ending 6/30/91 and 12/31/91.

4. If this amendment requires the filing of a document or documents, please list-

Exhibits A and B

5. Each item checked above must be explained below in full detail together with, where appropriate, specific reference to and identity of the item in the registration statement to which it pertains. If more space is needed, full size insert sheets may be used.

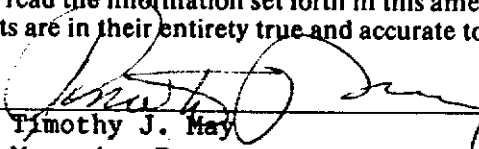

These reports are to amend our supplemental statements to reflect our activities on behalf of The American Environmental Company, Inc., pursuant to the Department of Justice's determination that registration is required. The attachments respond to Items 11 and 12 Section III and Item 14(a) Section IV, of the Supplemental Statements for the periods ending June 30, 1991, and December 31, 1991.

(Notary or other officer)

My commission expires _____

FOR THE PERIOD ENDING JUNE 30, 1991

ATTACHMENT B, SECTION III, Item 11

American Environmental Company, Inc. (Amenco)

Since our retainer by Amenco, we have advised and assisted the principal regarding U.S. environmental and research policy. Specifically, we have pursued changes in the Ocean Dumping Ban Act of 1988, as well as in other legislation, that would allow research projects to test the Deep Ocean Isolation waste management technology. Representation has included consultations with representatives of the Environmental Protection Agency; the National Oceanic and Atmospheric Administration; Department of State, Energy and Justice; the Council on Environmental Quality; and members of Congress and that staff.
